CCS GOES ON THE ROAD!

Maybe not to see Peru or Stonehenge, but, Greg Kirchhof is packing up the van and heading to a mysterious land called...Pueblo. CCS will be the guest of the University of Southern Colorado. We will be meeting on August 31, 2001 in the Acchiato Center from 10:30am until 3:00pm. We will break for lunch and meal tickets will be available from the cafeteria for just \$7.00. We will be discussing bankruptcy, new assignments, interest, collect costs, and tax offset. There will be plenty of time for questions. If you haven't received a formal invitation and you would like to attend, e-mail me immediately. We will get you on our list.

CCS WELCOMES DACE BROGREN!

Dace (pronounced Day-see), our newest collector comes to us from Colorado Springs, Colorado where she has worked with Goodwill Industries. She has been working with developmentally disabled adults so she understands how to be compassionate and firm. Her sunny personality and close attention to detail will make her one of our top performers in no time.

WE'RE WORKING ON IT!

Many of you have mentioned that you cannot get through on the phone or you get caught in an endless loop of recordings! We need to hear from you! By fax, e-mail, or carrier pigeon, please let us know of any communication problems you are having.
